- [News](#) - Hub news layout
- [Quick links](#) - Button layout
- [Spacer](#) - For custom padding
- [Text](#) - Customized RTF to create hierarchy

Hub sites

Organize your intranet with hub sites. Connect related sites to roll up content and activity, and to drive consistent branding and navigation. And because you can re-associate sites, your intranet can respond and adapt to changes in your organization.

Hub site

SharePoint Hubs let you organize your intranet and drive consistency. In this Marketing hub site, the header, footer, and custom logo is carried over to its associated sites.

Features

Header background COMING SOON
